STITCHES

Single Crochet (SC): Insert your hook, YO and pull up a loop, YO and pull through two loops on hook.
(This pattern uses the Mesh Stitch which is SC and CH 1 combo.)

PATTERN

Chain 280 any even number for 7 feet (84 inches)

There will be a total of 26 rows. The graphic below shows how many rows for each color.

ROW 1: Starting in the 2nd chain from hook, work 1 SC. *CH 1. Skip one chain, SC in next chain. Repeat from * across the row, ending with 1 SC into the last CH. CH 1 and turn. (279 total sts.)

ROW 2: Starting in the 1st stitch, SC into SC of previous row. *CH 1, skip the chain space, SC into the next SC. Repeat from * across the row, ending with 1 SC into the last SC. CH 1 and turn.

REPEAT ROW 2

Cut yarn at the end of each color change leaving at least 8 inches of tail. Secure last stitch by pulling it through the loop to create a knot then weave in the end with a tapestry needle.

Gathered Ends

Thread a tapestry needle with an 18 inch piece of yarn. Start the stitch an $\frac{1}{8}$ of an inch from the edge, leaving an 8 inch tail and weave the yarn in and out at $\frac{1}{4}$ inch intervals along the end of the scarf.

When finished, gather the end into a circle and match up into a triangle. Secure the edges of the triangle together with a blanket stitch. Attach a pom-pom to the tip of the triangle and knot. Cut and weave in ends.

To see how I made two finger pom-pom's, finished the ends (and hid my mistakes) check out the video I made on my YouTube channel, Sugar Joye. <https://www.youtube.com/watch?v=igvoXEeW5o4>

Thank you for stopping by and thank you so much Tiffy for teaching me!

XOXO, Cyndi
